

December 14, 2011
From: James Collins- State Coordinator
To: Chapter Officer's

Subject: Officer's Meeting 2012

As I sat here writing this letter, I want to congratulate and thank you for accepting an officer's position for this coming year. I can feel an excitement stirring within me for the coming year. Both new and more opportunities awaits us as we continual to search for the "Harvest" that God has promised us. I am looking forward to walking along side each of you as we take the ground of our Fathers and our borders expanding beyond our sights as we share the Gospel of a living God and his saving grace. Thanks to each of you for accepting an office and committing yourselves to this ministry for this coming year.

If you are returning to office this year we want to say it has been great working with you and are looking forward to this next year. If you are a new Officer I want to say that it will be good having you aboard and the new ideals that you bring to help in the ministry. We welcome any questions you might have, bring them with you to the State Officer's meeting and I or one of the State Leaders with try to give you an answer or fine one if we can't.

We will be meeting **SATURDAY FEBURARY 4th 2012 AT VICTORY HILL CHURCH 9848 Bowling Green Rd. Scottsville, KY. 42141**. Directions to the church are: take exit 22 off I-65 onto South US 231 approximate 10 miles to church. This is the same place we meet last year.

There will be coffee and snacks available around 8:30 CST. Meeting will start at 9:00 CST. Every one needs to plan to spend the better part of the day, we will try to get done as early as possible but much material will be gone over and this needs to be communicated to every officer. Spouses and ex-officers are also welcome to attend; the **ONLY**, excuse for missing this meeting is **Illness**, or **Work** if there is **No possible** way of making other arrangements.

Linda and I along with the other State Leaders & Spouses speak "Blessings" on you and your families.

May God Bless Y'all,

James and Linda Collins
KY. Coordinator
